

Past **FORWARD**

Big Idea	Essential Question	Challenge
Social justice initiatives can transform individuals and systems.	How can stories of social activism and change from the past inspire us to create a positive impact in our communities today?	Use the power of video storytelling to spotlight an individual who made brave choices to bring about positive social change, inspiring others to do the same.
Applying Big Idea	Apply Essential Question	Apply Challenge
<div>Child activism is powerful to show injustice.</div> <div>Small acts of individual bravery can create lasting and widespread change.</div> <div>Small personal choices can lead to profound change.</div>	<div>How can we use the story of Ruby Bridges showing extreme resilience and standing up for what is right to inspire and create a positive impact today?</div> <div>How can use the story of Ruby Bridges to show how everyday choices can have a lasting, positive impact?</div>	<div>Use the power of video storytelling to show the courage and resilience ruby bridges an her family showed in order to promote racial equality and inclusion.</div> <div>Use the power of video storytelling to show the courage in Ruby Bridges and her communities choices and how they were used in a larger scale to promote racial equality and inclusion .</div>
Guiding Questions What do you need to find out? (Add more rows if you need to.)	Guiding Activities How are you going to answer the questions?	Research and Synthesis What did you learn by answering the questions?
<div>- How did Ruby Bridges's parents come to their decision?</div> <div>- What was the physical effect on ruby's family from her attending the school?</div> <div>- Did anything directly change because of Ruby?</div> <div>- When did the government have to get involved to escort her to school?</div> <div>- How long did Ruby bridges attend this school?</div> <div>- How has Ruby Bridges continued to fight for racial justice?</div> <div>- Where are good filming locations that i could use during our trip?</div>	<div>- Researched</div> <div>- Interview with someone at national civil rights museum?</div> <div>- Find interview of Ruby bridges -> Oprah, → NBC news</div> <div>- Find an <u>online copy</u> of one of the children books she wrote.</div> <div>- Watch the interview of Lucille bridges talking about her experience</div> <div>- Newspapers of the time</div> <div>- For the locations question ChatGPT will be very helpful</div>	<div>- have research in craft only put a summary here</div>
Solution Statement Based on the synthesis, what's your solution?	Solution Development How will you create and show your solution?	Implementation How will you put your solution into action and share the results?
Small everyday choices have a bigger impact then people may think, by making them we can create positive change in our world today.	<div>Style: animations over real images?</div> <div>Technique</div> <div>Through a video which includes a combination of animated sketches, videos, and interviews (interviews will be mostly voiced overs.</div>	<div>- Equipment: my iPhone, ipad, class mic's</div> <div>By creating a video that showcases how small everyday choices can have a big impact and give realistic small choices people could make to positively impact our world today that will make people think</div>
