

INT. DARK ROOM - NO VISIBLE TIME

OMINOUS MUSIC

KILLER is sitting at a desk in the dark. LAPTOP is open on the desk and KILLER is typing. We don't see KILLER'S face. KILLER stops for a moment rereading the email. KILLER chucks send.

MUSIC ENDS

EXT. BUS STOP - DAY

Our 7 influencers are waiting for the bus to arrive. Their LUGGAGE by their sides. The bus pulls up, they get in. Once they all sit down they go onto their phones. The bus starts to head off eventually getting to a bumpy dirt road. The first few bumps startle all the influencers.

SEXIST

(Annoyed)

What the hell? I thought this was supposed to be a relaxing retreat.

FEMINIST

(Mockingly)

Aww muffin! It's just a bumpy road. You can deal with it.

After a few more minutes of silence the influencers groan as they all lose cell reception.

VEGAN

Really?! No cell reception. What gives?

CONSUMER

Noooo! My internet. How am I going to survive?

CREATOR

It'll probably come back in a bit, you'll survive. Jeez

Soon they arrive at the lake cabins. They all get off the bus with their luggage, all, but the consumer and sexist, thank the driver. Bus driver leaves.

SEXIST

Oh here, let me get your bags.

SEXIST reaches for FEMINISTS bag but hand slapped away

FEMINIST

I can carry my own bag.

SEXIST

Don't be like that. They look heavy and you obviously shouldn't be carrying them.

FEMINIST

(Snobbish)

So you think that because I'm a woman I can't carry my own bags.

SEXIST

Well yeah, obviously.

FEMINIST

Unbelievable.

FEMINIST grabs her bags and walks off to find her room while slightly body checking the sexist.

CONSUMER

How dare she disrespect you like that. You could carry my bags if you want.

SEXIST

Thanks

INT. CABIN LIVING ROOM - EVENING

HUNTER, CONSUMER and FEMINIST meet in the living room.

HUNTER

I still don't get why this email was sent to all of us. My first impression is that we're all so different.

FEMINIST

I agree, I had thought there would be people with the same interests as me.

CONSUMER

My email said there would have been lots of new skin care products I could advertise, but this place doesn't even have internet.

FEMINIST

Did your email inform you about an event?

VEGAN, CREATOR, SEXIST, and FINAL GIRL enter room

VEGAN

Mine did! I am supposed to be at the bonfire at 8:30 tonight

SEXIST

I hope there will be some more interesting people, no offence ladies.

FEMINIST

Excuse me? Are you saying that you are bored because we are mostly woman? Unbelievable.

CREATOR

I am sure we will find more people, there is no way we are the only ones here.

FINAL GIRL

For sure.

EXT. BONFIRE - NIGHT

Everyone gathers around a bonfire outside the cabin.

CREATOR

Is it just us?

FINAL GIRL

Seems like it. Well since we're the only ones here, shall we introduce ourselves? Im FINAL GIRL, I'm a "bad girl" influencer.

All take turns introduction themselves.

HUNTER

Isn't there any food? Im starving.

SEXIST

Same. I wish there was a big steak in the middle of the fire.

VEGAN

(Shocked)

What did you just say? You hunt? What right do you have to do such things?

HUNTER

It's in our nature. We're the top of the food chain.

VEGAN

You must be kidding! You're killing animals! How deranged can you be?!

SEXIST

Relax, it's not like we're gonna shoot you. I'll make sure you ladies are safe and sound.

FEMINIST

(Annoyed)

We "ladies" can take perfect care of ourselves, thank you very much.

CREATOR

I don't think my followers would like to hear I went to a hunting camp.

CONSUMER

I think it's an original idea, let's do it!

VEGAN

(Disgusted+ actors choice)

This is brutal. You need to be vegan! Eat soy beans!

CREATOR

Eww. Imagine all that blood on your hands, so gross.

VEGAN

That's your only concern? Blood?
That's it I'm leaving.

VEGAN storms off.

SEXIST

You girls really can't stand even
the sight of blood. You're so
sensitive.

FEMINIST

She has a strong belief and you
should respect that. Woman have
much higher ideas than you men. You
only think about your primal
instincts.

CREATOR

Plus it's unethical.

CONSUMER

Well we could make cloths out of
the leather!

Everyone looks at her in a weird way

FINAL GIRL

What are you saying?

CREATOR

She is just being silly.

EXT. WOODS - SAME EVENING

VEGAN is seen heading into the woods. She finds a place to
stop, out of sight from the bonfire. Kicks tree/ shows
visible frustration.

VEGAN

(Actors freedom-annoyed,
monologue)

They're all so weak! Can't handle a
vegan diet? Yea right.

KILLER MUSIC STARTS

KILLER is seen behind a tree, behind VEGAN, face obscured.
VEGAN doesn't notice and continues monologuing. KILLER seen
holding a KNIFE.

CUT TO BLACK- MUSIC CLIMAX

VEGAN seen lying dead on forest ground, shirt bloody. (Or VEGAN seen lying against tree and shirt says "tree hugger")

KILLER walks towards bonfire. Hides in the woods and watches the influencers socialize. KILLER slowly walks to the cabins, away from influencers.

EXT. CAMPFIRE - NIGHT

CREATOR

We should head back to our cabins.
It's late and I still need to get
my skin care done.

HUNTER

I agree

SEXIST

What about VEGAN? Shouldn't we look
for her? We definitely can't leave
her in the woods.

FEMINIST

She is a woman, she is definitely
more capable than you are at coming
back. She also has a flashlight
with her.

CONSUMER

I think I saw her heading towards
the cabins, it must have been her.
She probably went to bed.

FINAL GIRL

For sure. Who knows if that wasn't
her maybe she was killed in the
woods

Everyone heads to the cabins

SEXIST

Stop being creepy. You'll scare the
ladies.

FEMINIST

(Aside to CREATOR)

I am really fed up with this guy. I
hope there really is a killer here
to kill him.

FADE TO BLACK.
