

INT. LIVING ROOM - NIGHT

SEXIST, FEMINIST, and FINAL GIRL are sitting at the living room table, still shaken up by the killings.

FEMINIST

This is useless. Sitting here doing nothing is going to get us killed!

SEXIST

(Scoffs, annoyed)

Says you. I'll just beat up the killer when they come.

FEMINIST

(Exasperated)

Of course you are. You don't think I can defend myself? This is the problem with men!

Bickering between the two continue (actors freedom). LIGHTS GO OUT.

FINAL GIRL

It's a blackout. I'll go find the breaker.

SEXIST

Don't bother, if you go out there you'll be killed for sure. I'll do it.

FEMINIST

(Mockingly)

Why? Cause we're woman? Think we can't do it ourselves?

SEXIST

yes. Exactly that.

Argument continues and turns into shouting match.

FINAL GIRL

You know what? I'll just go do it.

The other two don't acknowledge and continue arguing. LAST GIRL leaves room. After a bit of fighting the 2 sit in silence.

FEMINIST

\*makes sudden chocking noises\*

Sounds of STRUGGLE. MUSIC FOR KILLER

SEXIST

(Annoyed to concerned)

What now?!?..... dude? Hello?

No reply. Then a THUDDING NOISE.

SEXIST

Damn it this isn't funny!

SEXIST searches for FLASHLIGHT. CLICKING NOISE of FLASHLIGHT turning on. Light shines on shoes of killer and the dead body of the FEMINIST. FLASHLIGHT clatters to the ground. Sounds of struggle occur. Then silence. (Sees shadow killing happen but not actual"

INT. HALLWAY - SAME NIGHT

FINAL GIRL standing in hallway with a FLASHLIGHT. FLASHLIGHT is shining in a BREAKER. She pulls it.

INT. LIVING ROOM - SAME NIGHT

LIGHTS TURN ON. SEXIST is sitting upright. Suddenly his body falls to the floor with a thud and we see a large SLASH WOUND on his neck.

MUSIC FOR KILLER CLIMAX AND END

INT. HALLWAY - SAME NIGHT

FINAL GIRL turns off her flash light and starts to walk back towards living room. She opens the door and stops in the doorway. Hears CLATTER in another room. FINAL GIRL dashes towards the kitchen.

FINAL GIRL

\*heavy breathing\* oh god (some kind  
of panic dialogue)

\*MUSIC FOR KILLER\*

KILLER walks down the hallway calmly after the FINAL GIRL. KILLER hums to themselves, wiping the blood off of a KNIFE they carry. FINAL GIRL runs into kitchen, opening drawers looking for a knife.

FINAL GIRL  
Where is it?!?

\*MUSIC SUSPENSE\*

KILLER stops at the doorway.

KILLER  
Remember me?

FINAL GIRL freezes, and slowly turns around.

FINAL GIRL  
.....KILLER? you did this?

KILLER  
Yep!

FINAL GIRL grabs a ROLLING PIN and hits the KILLER with it. KILLER stumbles back a bit and snarls. KILLER swings at the FINAL GIRL with a knife but FINAL GIRL dodges, getting hit in the arm/leg/body part and falling to the floor. Crawling on the floor FINAL GIRL heads towards oven.

KILLER  
(HUMMING or LAUGHING  
gleefully)  
Where do you think you're going?

FINAL GIRL reaches oven and leans against it, Turing to face KILLER from the ground.

FINAL GIRL  
Why? Why did you do all this?

KILLER  
Why? To get justice of course.

KILLER  
 And for what? One measly post? How dare you! How could I be cancelled when there are worse people out there? I mean come on did you see those people? So, I took matters into my own hands. And now, it's your turn.

KILLER walks towards FINAL GIRL, getting ready to stab her. Suddenly FINAL GIRL grasps onto a frying pan and swings it hard at the KILLER. KILLER falls down, dropping KNIFE. KNIFE slides away from the both of them. They both take a second to recover and lunge for the knife. Struggle on the floor until finally FINAL GIRL is stabbed.
