

16 Personality Types- Which Are You?!

<https://www.16personalities.com/>

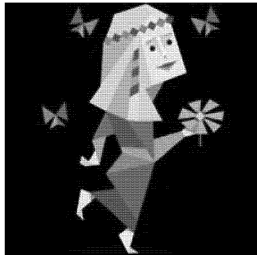

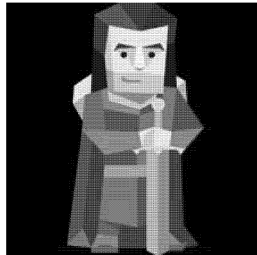

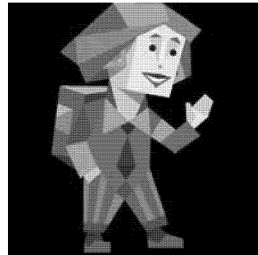

Everyone has their own personality which makes each of us unique. We are going to assess our personalities today to see which of the 16 personality types we are. This is going to help us to become more successful in reaching our goals as we will be able to assess what type of personalities we have and hence why we do the things that we do. Many students are not surprised by their results on their personality tests. It does take some time to complete, so just ensure that you respond to the questions as honestly as you can.

Once you have completed the assessment than circle your identified personality
