WHAT IS MOVIE MAKER?

The image is a screenshot of a Google search interface. At the top, the search bar contains the text "movie maker". Below the search bar, there are navigation tabs for "All", "Videos", "Images", "Shopping", "News", "More", "Settings", and "Tools". The "All" tab is selected. A yellow notification box is overlaid on the search results, stating "Explicit results filtered with SafeSearch. [Learn more](#) [Undo](#)". Below the notification, it says "About 784,000,000 results (0.57 seconds)". The first search result is an advertisement for Wondershare Filmora, titled "Movie Maker | Trusted Video Editor on PC/Mac | wondershare.net". The ad text describes the software as a free download, supporting Windows 7/8/10 and Mac OS X 10.9 or later, and lists features like 4K editing, 800+ effects, and easy-to-use interface.
