

Assignment 4 - My Plan for Screen Time

10 points possible [^]

Description

None

Grading criteria

Edublog Skills

Weight 50%

Exceeding Expectation 4 points

Can create a new blog post, put it into the right category, and format the text to be visually appealing.

Meeting Expectations 3 points

Can create a blog post, put it in the right category, and format the text to be clear.

Minimally Meeting Expectations 2 points

Can show a couple of the needed skills to finish and format the post, though it may not be in the right category.

Approaching Expectations 1 point

Can create a new post but may not be able to navigate and use the editing tools.

Not Attempted 0 points

Was unable to submit a new post to Teams.

Reflective Capacity

Weight 50%

Exceeding Expectation 4 points

Plan is complete and includes all the required criteria for health, education, social bonds and stopping rules. Has a good explanatory sentence for each point. Everything is specific and well-explained.

Meeting Expectations 3 points

Plan is mostly complete, and includes most of the required criteria for health, education, social bonds and stopping rules. Has a sentence explaining each point. Some areas needed to be explained better or more specific.

Minimally Meeting Expectations 2 points

Plan is not quite complete. May be missing some required criteria for health, education and/or social bonds. Missing few explanatory sentences.

Approaching Expectations 1 point

Plan is incomplete and missing criteria for health, education, socials bonds and/or stopping rules. Missing few or all explanatory sentences for each goal.

Not Attempted 0 points

Plan is not done. Does not have a sentence explaining each goal.
