

## FINAL Assignment - My First Vision Board

30 points possible

Grading criteria

### Edublog Skills

Weight 10%

#### Exceeding Expectation 4 points

Can create a new blog post, put it into the right category, and format the text to be visually appealing.

#### Meeting Expectations 3 points

Can create a blog post, put it in the right category, and format the text to be clear.

#### Minimally Meeting Expectations 2 points

Can show a couple of the needed skills to finish and format the post, though it may not be in the right category.

#### Approaching Expectations 1 point

Can create a new post but may not be able to navigate and use the editing tools.

#### Not Attempted 0 points

Was unable to submit a new post to Teams.

### Reflective Capacity

Weight 40%

#### Exceeding Expectation 4 points

Reflection is at least 8 sentences long and explains clearly what the images in vision board represent.

#### Meeting Expectations 3 points

Reflection is 5-8 sentences long and explains clearly what the images in vision board represent.

#### Minimally Meeting Expectations 2 points

Reflection is no more than 5 sentences long and attempts to explain what the images in the vision board represent.

#### Approaching Expectations 1 point

Reflection is fewer than 5 sentences long and does not explain what the images in the vision board represent.

#### Not Attempted 0 points

Reflection is incomplete.

### Design and Presentation

Weight 50%

#### Exceeding Expectation 4 points

Vision board includes more than 12 images and/or key words (3 from each category) which clearly reflect the student's goals. The design is neat and demonstrates exceptional skill with digital tools.

#### Meeting Expectations 3 points

Vision board includes at least 12 images and/or key words (3 from each category) which reflect the student's goals. The design is neat and demonstrates competency with digital tools.

#### Minimally Meeting Expectations 2 points

Vision board includes fewer than 12 images and/or key words which reflect the student's goals. The design appears rushed and/or disorganized.

#### Approaching Expectations 1 point

Vision board includes very few images and/or keywords, some of which may appear irrelevant. More time could have been spent on the design.

#### Not Attempted 0 points

No vision board is submitted.
