How does the artifact you selected demonstrate strengths & growth in the communication competency?

In what ways might you further develop your communication competency?

## Self-Reflection

Describe how the artifact you selected shows your strengths & growth in specific core competencies. The prompt questions on the left - or other self-assessment activities you may have done - may guide your reflection process.

My Fahrenheit 451 presentation demonstrates strengths and growth in the communication competency because I presented information clearly and in an organized way, worked with others to achieve a common goal, did my share, and took on roles and responsibilities in a group.

How does the artifact you selected demonstrate strengths & growth in the thinking competencies?

In what ways might you further develop your thinking competencies?

It demonstrates strengths and growth in the critical thinking competency because I analyzed evidence from different perspectives, reflected on and evaluated my thinking, products, and actions, explored materials and actions, experimented with different ways of doing things, monitored my progress and adjusted my actions to make sure I achieved what I wanted, and made choices that helped me create my intended impact on an audience or situation.

It demonstrates strengths and growth in the creative thinking competency because I built on other people's ideas, got ideas that were new to my peers, made my ideas work within the constraints of a given form by playing with them, and built the skills I needed to make my ideas work.

How does the artifact you selected demonstrate strengths & growth in the personal & social competencies?

In what ways might you further develop your personal & social competencies?
