## Athlete Registration Process

Dear Parent/Guardian:

Riverside Secondary uses an online service to register and give parental/guardian consent for any student to participate on any of the extracurricular sports that that school offers.

Instead of forms and cheques being returned to the coach, the registration process will be completed online and payment received by credit card or Interac. The secured registration site can be accessed from the school's webpage:

[www.riverside.sd43.bc.ca](http://www.riverside.sd43.bc.ca) by clicking on the Athletic Fees icon on the homepage.

Karelo.com is a third-party service provider which operates a secure website for credit card or Interac payment.

We ask that parents/guardians register their son or daughter as soon as possible as the online registration contains the consent form which needs to be completed before any athlete participates in any sport. Without the consent form completed, an athlete will not be able to participate with the team.

Due to popularity, athletes will get access to the Fitness Club for no additional fees. Sign up for the Fitness Club is still required (see Mr. Jamie Askew) but the fees will be waived or reimbursed.

If you have any questions regarding this process, please contact one of Riverside's Athletic Directors, Rob Colombo or Jeremy Neufeld, as either of them will be able to answer any questions that you may have about this process.

Yours in Sport,

Rob Colombo/ Jeremy Neufeld
